

BACKUP BOX PRO

PRODUCT MODEL

- Backup Box Pro

PRODUCT FEATURES

- Grid disconnection in the event of a power failure;
- Load management;
- Mains restoration after power failure.
- Electricity meter function (×2);
- Power consumption 3×63A;

MODEL	Backup Box Pro
Phase	Three Phase
Rated Grid Voltage	230Vac (L-N), 400Vac (L-L)
Grid Frequency	50Hz
Max. Output Current	3×63A
Communication	RS-485
Display	LCD
Protection Degree	IP21
Operating Temperature Range	-20°C~50°C
Relative Humidity	15%~85%
Dimension (W*D*H)	410×175×605mm
Weight	25kg
Warranty	5 Years

Note: Specifications are subject to change without advance notice.
